

Jesper Strömblad verlässt In Flames

Jesper Strömblad gibt bekannt, dass er In Flames verlassen wird. Sein Austritt folgt einer längeren Pause vom Bandgeschehen, die Jesper eingelegt hat, um in einer schwedischen Entzugsklinik seine Alkoholabhängigkeit behandeln zu lassen. Hier noch ein paar eigene Worte:

"I have decided it is best for me to leave [In](#) Flames and to quit the Band permanently. The last 17 years have been a blast, and I am proud to have been part of this great journey, with the most talented and amazing people anyone can wish to have the privilege to work with. I'm also the luckiest guy in the world, to have the BEST fans in the world, who have been supporting me during my difficult times. It means the world to me, and I'm determined to fight and defeat my demons once and for all.... and by the help from you guys, I'm on my way. I'm far from done with music, metal, or whatever my direction is taking me, so be sure to hear from me in the future."
